## ABOUT ME

Dedicated Frontend Developer with above 2 years experience in the banking industry. Proficient in React.js, Next.js, TypeScript, HTML, CSS, and responsive web design. Seeking a frontend developer role to leverage my expertise in programming languages, frameworks, and software development.

## WORK EXPERIENCE

Frontend Developer 2022 – 2024

**Ayeyarwaddy Farmers Development Bank (A bank)**

- Contributed to the development of Aplus Wallet Reporting and Accounting admin portal using React, TypeScript, and MUI.
- Contributed to the development of Web SDK using nextjs and tailwind css.
- Maintain existing Aplus Merchant portal, including fixing bugs and develop new custom components to meet project requirements.
- Ensured seamless integration of frontend components with the backend.
- Engaged in agile development methodologies and coordinated with cross-functional teams to deliver high-quality software.

Application Support Engineer 2020 – 2021

**Ayeyarwaddy Farmers Development Bank (A bank)**

- Developed stored procedures using Oracle SQL to enhance database functionality.
- Created Core Banking Reports using the iReport Tool.
